Re: STB Finance Docket No. 35506, *Western Coal Traffic League –*
Petition for a Declaratory Order

Dear Ms. Brown:

On October 28, 2011, we filed the Joint Opening Evidence and Argument of the Western Coal Traffic League, American Public Power Association, Edison Electric Institute, National Association of Regulatory Utility Commissioners, National Rural Electric Cooperative Association, Western Fuels Association, Inc., and Basin Electric Power Cooperative, Inc. in the above-referenced docket.

By this notice of errata, we are correcting one word on page 4, line 20 of Dr. Verrecchia's Verified Statement, with the full sentence containing that line to be read as follows: "I understand that this presents a significant regulatory issue here with BNSF, with WCTL estimating that there is a substantial net acquisition premium of \$8,100,000,000 that WCTL is attempting to exclude from the rate base."

Thank you for your attention to this matter.

Respectfully submitted,

Peter A. Pfohl
